## How to Submit Images for Field Trips

(Revised January 2020)

1. Field Trip images should be taken on the day of the event. (The Camera Club goes on a Field Trip once a month, unless otherwise specified.)
2. Images should be a maximum of **1080 pixels in height** and a maximum of 1920 pixels in width.
3. Images should be of the JPG format. Use Photoshop or your image editor to convert to this profile. Make sure you convert profile and not “*assign profile*”.

Example: FT-Title-010 (FT=Field Trip-Title you give your photo-Member Number). You **cannot** have more than one photo with the same name. Remember to save as a JPG.

Member's name should appear **somewhere** on the image. Be sure to make it visible.

4. **Attach** image(s) to an email.

Subject of the email should be: Tom - FT and the month photo was taken.  
Example: (Tom - Field Trip October). Send to [sevcameraclub@yhoo.com](mailto:sevcameraclub@yhoo.com)

Photos can be submitted **up to the DAY BEFORE** the Camera Club meeting.

5. You may submit up to 4 (four) images for the Field Trip viewing.
